Dear Members,

Welcome to our Summer edition of our Members Magazine. As another busy year draws to a close, there's plenty to look forward to across your Club, from festive celebrations and summer dining to community events and exciting new additions to our venues.

Christmas is just around the corner, and our venues are getting ready to celebrate. From catching up with friends and enjoying family meals to end-of-year celebrations with colleagues, we look forward to welcoming you throughout the festive season.

With the warmer weather arriving, Snapper & Co. is the perfect place to enjoy summer by the lake, with great food, a cold drink and good company. Over at Jamison, we've recently opened The Yard, our outdoor area featuring a large TV, making it a fantastic spot to catch up with friends and enjoy live sport.

January brings the CSCC Summer Garage Sale at Tuggeranong on 16 January, supporting the Tuggeranong Men's Shed. It's a great opportunity to pick up a bargain while supporting a wonderful local community organisation.

We're also proud to share that Canberra Southern Cross Club has been named the 2026 Corporate Climate Leader at the Bluebell Sustainable Business Awards. This recognition reflects our ongoing commitment to sustainability and the efforts of our team across the Club.

I'd also like to welcome Ryan Davies, our new General Manager Health & Wellness, and take this opportunity to thank Greg Chamberlain for his outstanding contribution to our Health & Wellness division. We've recently launched our new Learn to Swim program at Stellar Swim, helping children build confidence and develop essential swimming skills. With summer approaching, there's no better time to get started.

Finally, on behalf of the Board and our entire team, thank you for your continued support throughout the year. I wish you and your families a safe and Merry Christmas and a happy and healthy New Year.

We look forward to seeing you around the Club over summer.

Warm regards,

Matt

We ♥ our Community

Canberra Southern Cross Club

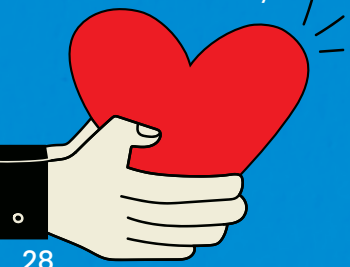

Around Our Community

Music for Canberra - Carols by Candlelight

Music for Canberra is a not-for-profit organisation creating inclusive, high-quality music experiences for people of all ages, backgrounds and abilities across the ACT. Its programs include the Woden Valley Youth Choir, Canberra Children's Choir, Canberra Youth Orchestra and the Mixed Abilities Program for adults with a disability.

We are proud to partner with Music for Canberra to present the 2026 Canberra Times Carols by Candlelight. Featuring the Canberra City Band, Canberra Youth Orchestra and the much-loved Woden Valley Youth Choir, this free, family-friendly event brings the community together to reflect on the year and welcome the festive season.

Join the carols at Stage 88 on Saturday 5 December from 7:30pm.

Nominate a local group you'd love to support through our Community Rewards Program.

Weston Creek Molonglo Cricket Club

Weston Creek Molonglo Cricket Club (WCMCC) is a local community cricket club bringing players, families and supporters together through a shared love of the game.

We are proud to support WCMCC through a cash community contribution, with 50% directed towards women's sport, helping more women and girls get involved in cricket. Our Woden club is also the club's home base, where players and supporters gather after matches to share a meal and celebrate the game.

Members can support WCMCC too, by linking their membership to the club through our Community Rewards Program.

Tuggeranong Swim Club

Tuggeranong Swim Club is a community-based swim club founded in 1991, run by parent volunteers and professional coaches. The club offers a family-friendly environment where swimmers of all abilities can train and grow, right through to national representative level.

We are proud to support them through a cash community contribution and room hire fee waivers, giving them a space to meet, plan and bring their swimming community together.

Members can also support the club through our Community Rewards Program, helping local swimmers reach their full potential.

Building Begins at YarraVale!

FIND OUT MORE
YARRAVALEWODEN.COM.AU

Construction has commenced at YarraVale, the Club's major diversification project which, when complete, will deliver over 800 new apartments to the Woden Town Centre.

YarraVale is the name given to the total precinct which sits adjacent to Stellar Canberra and runs alongside Yamba Drive up to the Yarra Glen roundabout.

800+	7	3	Late 2027
New Apartments	Buildings	Stages	First Completions

The precinct is also well served by active travel paths linking residents easily to Woden Town Centre and further afield to Tuggeranong, Curtin and Civic.

The Masterplan for YarraVale envisions three distinct stages of development across seven buildings. Stages 1A and 1B are under construction concurrently and due for completion from late 2027.

01 — **Stage 1A**

Build-to-Rent: Marlowe

The Club has partnered with leading community housing provider Community Housing Canberra to develop a build-to-rent offering within YarraVale, named Marlowe.

Marlowe will have 140 one, two and three bedroom apartments across two 6-storey buildings, built specifically as rental homes for the Canberra community. Half will be offered as affordable rental housing, with rents typically set at around 75% of the local market rate.

A proportion is reserved for priority groups, including health care and community workers, essential workers and veterans.

03 — **Future Stages**

Three more buildings are planned after 2028 to complete the precinct. A development application for part of these stages has already been approved, helping to speed up the completion of the YarraVale community.

"As a community club, we see this project as creating safe, secure and affordable homes for essential workers right in the heart of Woden."

Matt Walshe, CEO of Canberra Southern Cross Club

02 — **Stage 1B**

Build-to-Sell: Sage & Orima

Construction has also started on Sage and Orima, the first two buildings of our build-to-sell project, with 196 one, two and three bedroom apartments. Early sales have been brisk, thanks to the location and high-quality build specifications.

The Club has partnered with the Raiders Group to deliver the project. The 12-storey Sage and 6-storey Orima were designed by award-winning local firm Stewart Architecture and are being built by Construction Control.

Canberra Southern Cross Club President Kim Marshall and Director Stephen Boyle on site at YarraVale.

"Upon its completion, YarraVale will provide community-focused living on the greener side of Woden, with immediate access to the town centre."

Kim Marshall, President of Canberra Southern Cross Club

Staff Highlights

Brionny Toms (Bree)
From Work Experience to Assistant Venue Manager

Ten years ago, a Year 11 student walked into our Tuggeranong club for work experience. Today, Bree is our Assistant Venue Manager at Woden.

In between, she has worn almost every hat in the Club, from kitchen hand and receptionist to café supervisor, bar team leader and duty manager. It's given her a real understanding of how our venues run, and what makes a great visit for members.

Next time you're at Woden, keep an eye out for Bree and say hello. Chances are, she's done the job you're watching!

Samantha Macarthur (Sam)
From the Café to Sales & Events

Sam began her journey with us as a Team Leader at the Woden Café, where many members will know her friendly face. After completing Step Up to Supervisor, our in-house leadership program, she was promoted to Supervisor at Tuggeranong.

Sam says the program helped her see the "bigger picture" and gave her the confidence to support and lead the people around her.

Now, Sam is starting an exciting new chapter with our Sales & Events team. If you're planning a function, celebration or special event, Sam is here to help bring it to life, so be sure to say hi!
